Published: 01-23-2015

The City of Akron has nominated the following construction projects for loans from the Ohio EPA Water Supply Revolving Loan Account (WSRLA). Ohio EPA will administer loan preparation based on state standards and Ohio EPA procedures. Akron has requested approximately \$2,936,000 from the Ohio EPA WSRLA for these projects. The currently programmed user rates will not change due to these projects. These projects include:

Backwash Water Supply Upgrade	Project Priority List No. 119
North Generator and Substation Improvements	Project Priority List No. 146
Sedimentation Basin 1&2 Chain & Flight Sludge	
Collection System Replacement	Project Priority List No. 135
Annual Water Main Construction Contract 2015	Project Priority List No. 111

If you care to comment on these projects, please send comments by February 12, 2015 to Bob Geiser at the Akron Water Plant, 1570 Ravenna Road, Kent, Ohio 44240, 330-678-0077 or e-mail to [BGeiser@akronohio.gov](mailto:BGeiser@akronohio.gov). The Ohio EPA will make available for public information environmental review documents for these projects. Upon release, the documents may be viewed at either: <http://akronohio.gov>, Ohio EPA's website at <http://epa.ohio.gov/defa/EnvironmentalandFinancialAssistance.aspx> ("Documents for Review and Comment"), or in hard copy at the Akron Engineering Bureau, 166 South High Street, Akron, Ohio, 44308. If you would like to receive either an electronic copy via e-mail or a paper copy of the documents via U.S. mail upon release, please contact Dan Halterman of Ohio EPA at either: [Daniel.Halterman@epa.ohio.gov](mailto:Daniel.Halterman@epa.ohio.gov) or (614) 644-3658.
