Re: Aqueduct Street Green Improvements – Construction Update Meeting

Dear Property Owner/Tenant:

The City of Akron invites you to an update meeting regarding the Aqueduct Street Green Improvements, Tuesday, Aug. 22, 2017 at the King Community Learning Center, located at 805 Memorial Parkway. The presentation will be from 6:00 – 7:00 p.m.

The topics to be covered include:

- An overview of the construction process
- An opportunity to ask questions about the project
- Where you can find up-to-date information on the project

If you are unable to attend the meeting, please contact the City of Akron's construction representative, Richard Falkenstein, at 330-375-2355. You can also find information about the project at www.akronwaterwaysrenewed.com. Click on "Construction," then click on the project "Aqueduct Street Green Improvements."

Tree removal is complete at this time. First Energy Corp. and AT&T will have tree pruning in the future. The City of Akron's contractor, Karvo Companies, started work on the project August 7, 2017. The contractor is currently installing a water main on the west side of Aqueduct Street, starting at Edgerton Road and heading to Memorial Parkway. Aqueduct Street is currently closed starting at Morningside Drive to Memorial Parkway with local access only.

Looking forward to seeing all of you at the Update Meeting.

Sincerely,

A handwritten signature in blue ink that reads "Jason L. Zajac".

Jason L. Zajac
Engineering Projects Coordinator
